3. To fill out the MPR, there is button named as “Add New MPR” on the top right corner. On clicking the add button it will redirect to MPR form.

- In this MPR Form, the previous **Month** of which MPR is needed to fill and the **Year** is automatically fetched as showing in the snapshot.
- There are 3 buttons showing at right corner named “Save as Draft” “Save as Lock” and “Back to Home” for taking actions to save the MPR form in draft; if the form is completely filled, then Save as Lock and Back to Home are used for going back to “MPR Dashboard.”.

Month

July

Year

2024

1 Registration and grant of licences under Factory Act, 1948

A. Applied by occupier

Number of applications for registration and grant of licence pending the beginning of month

More than 30 days	Value 0	Remarks N.A.
More than 60 days	Value 0	Remarks N.A.

Number of applications received from occupier for registration and grant of licence during the month

Value

0

Save as draft

Save as lock

Back to home

Once the MPR is drafted, it will show in the “MPR Dashboard”. Officer can edit the drafted MPR form on clicking on the edit button.
