Dear Samiran Chanda,

Greetings of the day!

My name is Pravesh Pandey, and I am the designated contact person for the security audit from the Department of Labour, Government of Punjab.

As per the work order received regarding the security audit of the eLabour Portal, we are in the process of initiating the audit activities. To proceed further, I kindly request you to share the detailed requirements for conducting the security audit. Additionally, please provide the contact details of the concerned person with whom I should coordinate for further communication.

For your reference, the work order has been attached to this email.

Your prompt response will help us initiate the audit process at the earliest.

Warm regards,
Pravesh Pandey

Dear Team,

Upon reviewing the attached Level-1 reports, I noticed that the audit has been conducted on the Fastrack portal. However, in my previous email where I shared all relevant URLs and credentials. I clearly indicated that the audit should be performed on the PbLabour portal, as the Fastrack portal is not within the security audit scope.

The Level-1 security audit report also indicates that the audited application forms do not pertain to the Department of Labour.

Therefore, I request that the audit be carried out only for the PbLabour portal as originally specified. If you require any additional information or clarification from our side, please feel free to let us know.

Dear Mr. Lalit,

This is a follow-up on the ongoing security audit. The applicant-level (login and applying services) demonstration was completed earlier, and the official-level demonstration (login and taking actions) was completed yesterday.

I hope everything is now clear from our end, and we look forward to receiving the findings so we can close this activity at the earliest.

Please let us know if any further inputs are required from our end.
